

CALVARY ROAD CHRISTIAN SCHOOL

LIVE STREAMING NOTICE & PERMISSION

Due to circumstances surrounding COVID-19, Emergence Orders and CDC and DOE guidance, having an effect on school operations, Calvary Road Christian School ("CRCS") will be implementing a live streaming educational program available to certain students who otherwise may not be able to attend classes in person, face to face for various reasons. This will allow these students to participate in classes and maintain their educational progress and benefit from CRCS Christian values, curriculum and interact with teachers.

This live streaming of classes will at times result in viewing students and seeing activity by the teacher and students. This may result in observing incidents or minor class discipline; that is, the typical classroom environment that students experience in attending class face to face.

I/We understand the purpose of the live streaming of classes and give permission to CRCS to include my child's work, performance and likeness or image on video recordings and during live streaming of the class as part of student's participation.

On behalf of my child/children and myself, I hereby release, waive and discharge CRCS of any claims of any kind or nature arising out of or relating to the live streaming of the classroom in which my child is a student.
