

CALVARY ROAD CHRISTIAN SCHOOL

Welcome to the PVO!

We are very excited to have you take this next step in your partnership with Calvary Road Christian School. Your commitment to our school community is truly appreciated, and we look forward to the positive impact you will make as we all seek the Lord's will for our school and students.

As a member of the PVO (Parent Volunteer Organization), you will play a crucial role in achieving our organization's goals:

1. Organize our parents' and volunteers' energy and talents to support programs and help schedule special events, enhance student education, and enrich student & community life.
2. Recognize, support and bless our teachers, staff, and administration.
3. Promote school spirit and community amongst Calvary Road Christian School families, teachers, administration, staff, and Calvary Road Baptist Church.

When you feel that the Lord has called you to a particular PVO opportunity, we invite you to connect with the PVO Staff Chair and/or Parent Chair. If you have any questions about your role, conduct, or expectations as a PVO member, please take a moment to review your [PVO Agreement](#). It contains valuable information that will guide you in serving as a PVO member. Please do not hesitate to reach out to Siriboa Rhodes at admin.assistant@cracs.org or Jessica Beatty at pvo@cracs.org if you have any other questions.

We look forward to all the amazing things that God will do through the PVO this year! Thank you for being a blessing to the CRCS Community.

"If anyone serves, they should do so with the strength God provides, so that in all things God may be praised through Jesus Christ. To Him be the glory and the power forever and ever. Amen. I Peter 4:11

“If anyone serves, they should do so with the strength God provides, so that in all things God may be praised through Jesus Christ. To Him be the glory and the power forever and ever. Amen.” 1

Peter 4:11

The Calvary Road Christian School Parent Volunteer Organization (PVO) is a volunteer organization consisting of parents who intend to be the light of Christ through servant leadership. The PVO acts as the link between volunteers and the service opportunities at Calvary Road Christian School. The PVO will be the central hub for volunteer inquiries and volunteer staffing. CRCS is a community of Christians, including parents, grandparents, family, church, and friends who express commitment through volunteering. "Committed to Service" is a fundamental aspect of our Core Values, and we're seeking your assistance to uphold this important commitment to our community.

PVO Goals:

- Organize our parents' and volunteers' energy and talents to support programs and help schedule special events, enhance student education, and enrich student & community life.
- Recognize, support and bless our teachers, staff, and administration.
- Promote school spirit and community amongst Calvary Road Christian School families, teachers, administration, staff, and Calvary Road Christian School.
-

We ask those interested in volunteering at Calvary Road Christian School to consider the following questions:

- Are you one who pursues godliness in daily living?
- Do you believe that God has gifted you to volunteer at Calvary Road Christian School?
- Are you qualified to serve in the opportunities to volunteer?
- Are you committed to making meaningful interactions with students and staff?
- Are you creative, reliable, and resourceful?
- Are you passionate about Christian education?

Volunteers will need to fill out clearances once every (3) years or as requested by the administration.

Volunteer Guidelines:

Respect Confidentiality:

- At Calvary Road Christian School, confidentiality is a priority for all students. Safeguarding information about a student's academic or home life is paramount, and as a volunteer, you play a crucial role in upholding this commitment. Confidentiality remains intact, unless there's a genuine concern for a student's safety. In such cases, it is imperative to promptly inform a staff member, recognizing that, as a volunteer, you are a mandated reporter obligated to report any observed or suspected child abuse to ChildLine (240-777-4417) as required by law.

Prioritize Safety and Health:

- As a volunteer, you contribute significantly to maintaining a safe and positive school environment. Vigilance in student safety is a shared responsibility among all volunteers. Volunteers should never be alone with a student. Being alone in a restroom with a student is strictly prohibited. Volunteers will use designated restrooms in the church foyer. Additionally, maintaining awareness of your surroundings while interacting with students ensures a proactive approach to their well-being. Volunteers are expected to monitor their own health and refrain from volunteering if experiencing any illness.

Exemplify CRCS Core Values:

- When working with students, your words and demeanor leave a lasting impression. Volunteers will follow our Core Values as a part of our school community. Our classroom teachers are the primary authority in the classroom and maintain overall responsibility for the class. Maintaining a friendly yet professional attitude enhances the learning environment. Focusing on the students in your care, silencing cell phones, and refraining from making or receiving calls or texts contribute to a professional atmosphere.

Embrace a Positive Attitude:

- Respect for each staff member and student as an individual is fundamental. If a student under your supervision requires guidance, addressing the situation with positivity fosters a supportive learning environment. A friendly demeanor with fellow staff, other volunteers, parents, and community members contributes to a positive school culture.

Commit to Service:

- Volunteers at Calvary Road Christian School commit to serving all students and they recognize the profound impact of positive connections. While it may be tempting to focus solely on your own child, remember that each child under your care can benefit from your support and guidance.

Be Dependable:

- Teachers and staff rely on volunteers to help facilitate seamless classroom activities, events, fundraisers, and student learning. Honoring your commitment and arriving punctually reflects your dedication to the school community's overall success.
